

SPEAKING & WORKSHOPS

Michelle Repash

Founder, RepashGlobal · Author · Revenue Systems Strategist

Revenue doesn't break in A/R. It breaks upstream.

ABOUT

With 36 years in dentistry — chairside, front desk, insurance, billing, A/R, credentialing, operations and business ownership — Michelle Repash helps dental organizations stop fixing the same revenue problems over and over by finding where they actually start. She is the author of Revenue Protection Architecture™: Why Revenue Breaks Upstream and How to Fix It, and writes Beneath the Surface on workplace communication and neurodiversity.

SIGNATURE TALKS & WORKSHOPS

- 01** Revenue doesn't break in A/R. It breaks upstream. — the signature keynote on Revenue Protection Architecture™.
- 02** The aging report is a lagging indicator — reading the leading signals that predict denials.
- 03** Controls your team will actually use on a Tuesday — building front-end controls that hold.
- 04** Beneath the surface — communication and neurodiversity in the dental workplace.
